Year: 2025

No. of Students: 10

Name of Faculty: Prof. Dr Biswajit Pal, HOD

Dr Samartha Singh, Assistant Professor,

Dr Saumya Sharma, Assistant Professor, Department of Homoeopathic Materia Medica

Prof. Dr. Chitra, Department of Surgery

### Report Summary:

Department of Materia Medica organised a seminar on **Baryta group and Ranunculaceae Family** to discuss key aspects of the same. Baryta group indicates the homoeopathic medicines prepared from chemical substance barium salt e.g. Baryta Carbonica and Ranunculaceae Family medicines prepared from plants e.g. Pulsatilla, these medicines have highly medicinal qualities against many disease conditions like fever, diarrhoea, tonsilitis, many gynaecological disorders, mental disturbances etc. The session aimed to enhance knowledge, encourage discussions, and explore practical applications. Every student described and explained the topic clearly. Participants engaged in insightful discussions and queries.
