

A Report on Seminar of Physiology of Thyroid Gland

Venue: 1st Year BHMS classroom

Date: 09/10/2024

Time: 01:15 PM to 02:15 PM

Academic Year: 2023-24

No. of Students: 93

Name of Faculty:

Dr. Bhaskar Bhatt, Principal, LRSHC

Dr. Dinesh Rawat, Associate Professor, Department of physiology & Biochemistry

Dr. Vimla, Assistant Professor, Department of physiology & Biochemistry

Dr Pintu Srivastava, Associate Professor, Department of Anatomy

Dr Poonam Patel, Associate Professor, Department of Repertory & Case taking

Dr Hetvi Vithalani, Associate Professor, Department of Repertory & Case taking

Dr Saumya Sharma, Assistant Professor, Department of Materia medica

Dr Samartha Singh, Assistant Professor, Department of Materia medica

Report Summary: The seminar on Thyroid Gland Physiology, organized by physiology and biochemistry department and presented by students, provided a comprehensive overview of the structure, function, and regulation of the thyroid gland. The session covered key aspects, including hormone synthesis, secretion, and physiological effects, along with clinical implications of thyroid dysfunction.
