REPORT:-

As the part of circular activity we had planned field visit activity. As per scheduled along with 2nd year GNM

students I had visited ***THE LIFE BLOOD BANK VISIT - RAJKOT*** on 16/04/2024 at 10:00 Am.

The Nursing Department had organized an educational field trip for the 2nd year GNM students to BLOOD BANK VISIT. This educational visit was organized under the guidance of **Prof. Dr. ASHISH GAUTAM PRINCIPAL OF SHRI H. V. MEHTA INSTITUTE OF NURSING – RAJKOT**. Objective of the visit was to create awareness in students for blood banking procedure. The visit was informative, as a record of 21 students participated in it. It was a 5 hours visit which started at 11:00 am. Mr. Rajiv Kumar Mishra and his colleagues gave information about blood group, details about rare blood group, information about blood, information about blood donation, procedure about blood donation, how blood is donated to the person, product packing, separation of blood products, labelling, demotion, colors used of denotations. They learn how a single unit of whole blood can be separated in 3 different components such as **PLASMA, PATLET, and RBC** and can save 3 lives.

The students asked questions/queries to the guides and they answered all of them. The students were very happy after this visit and they got ample knowledge about blood banking and the guidelines given by them are really very important for their future aspects.

This visit was enhance the gain knowledge of GNM Students, was got immensely benefitted by the demonstration and detailed explanation of BLOOD BANK VISIT. Since the 2nd Year GNM students.

Finally from this visit, we get information and practical knowledge and the students were throwing several questions to the Mr. Rajiv Mishra sir LIFE BLOOD BANK chairman during the 5 hour long period which was adding more value to the process of learning about BLOOD BANK. The visit concluded with a group photo session with the EDUCATIONAL VISIT.
