

Date: 17th March 2025

**MEMORANDUM OF UNDERSTANDING (MoU)
BETWEEN**

**B.H. GARDI COLLEGE OF ENGINEERING AND TECHNOLOGY, RAJKOT, GUJARAT
AND
ADVAY ENGINEERS, SHAPAR VERAVAL**

This Memorandum of Understanding (MoU) is executed on 17th March 2025, between,
B H GARDI COLLEGE OF ENGINEERING AND TECHNOLOGY, located at, **Rajkot**
and **ADVAY ENGINEERS**, located at **Shapar Veraval**

The purpose of this MOU is to establish a framework of cooperation between the Educational Institute and the Company through its HR/Recruitment team for campus placements, internships, and related career development activities.

RECITALS

WHEREAS **B.H. GARDI COLLEGE OF ENGINEERING AND TECHNOLOGY**, and the **ADVAY ENGINEERS** share a common objective to have recognized the desirability and feasibility of establishing a collaborative relationship designed to strengthen educational, and cultural ties between both.

WHEREAS **B.H. GARDI COLLEGE OF ENGINEERING AND TECHNOLOGY**, and the **ADVAY ENGINEERS** agree that it would be in their mutual interest to create programs that would promote employability and academic enhancement including, Students' Training, Industrial Visits, and Internship; and at the same time strengthen social and cultural relationships between both.

WHEREAS **B.H. GARDI COLLEGE OF ENGINEERING AND TECHNOLOGY**, and the **ADVAY ENGINEERS** agree to establish a formal agreement of cooperation to reflect their agreement as aforementioned.

NOW, THEREFORE, in consideration of the foregoing both the parties agree as follows.

ARTICLE I
GENERAL PURPOSE OF THE MOU

The general purpose of this MOU is to strengthen the bonds between both parties, further the academic, social, and cultural objectives, and to promote Career Oriented Programs. It is expected that collaborative relationships thereby established will provide mutual benefits to both parties.

ARTICLE II
GENERAL AREAS OF COOPERATION

The collaboration shall be conducted to maximize reciprocity and minimize the cost of participation. Collaboration will include academic and cultural exchanges from both the parties, which shall consist of programme offerings such as:

Offerings of various programmes from **ADVAY ENGINEERS**. It is expected to promote such ventures in future and support the initiatives of B.H. Gardi College of Engineering and Technology.

Objectives

- To facilitate campus recruitment opportunities for students of the University (First Preference) ..
- To provide internships, industrial training, and live projects for students (First Preference) .
- To collaborate on pre-placement talks, workshops, seminars, and skill development programs.
- To bridge the gap between academic learning and industry requirements.

Roles & Responsibilities

The Institute shall:

- Provide necessary infrastructure for placement activities (interview rooms, seminar halls, online facilities, etc.).
 - Nominate a Placement Cell Coordinator to communicate with the Company's HR team.
 - Share student profiles, resumes, and academic performance records (with prior consent of students).
 - Prepare students through training programs, soft-skill workshops, and technical sessions.
-

The Company shall:

- Share details of job profiles, selection processes, and eligibility criteria in advance.
- Conduct campus recruitment drives, pre-placement talks, and interviews (offline/online).
- Offer internships, projects, or employment opportunities to eligible students based on selection before other universities.
- Provide constructive feedback on student performance during interviews and internships.
- **Guest Lectures and Expert Talks** - Organising Seminars/Workshops regularly and developing joint publications of conference volumes and books. Emerging technologies (e.g., Industry 4.0, IoT in manufacturing) Lean and Six Sigma principles.
- **Joint Research & Development (R&D)** - Engagement in joint research projects depends on mutual areas of interest between the faculties of both institutions. Few Applied research projects using real industry problems.
- **Capstone/Final-Year Projects** - Students undertake real-world problems provided by the industry. Joint mentorship by faculty and industry supervisors. Possibilities of implementing prototype solutions.
- **Collaborative Events like** – IDEATHON, HACKATHON any innovation or project based competitions to be organized.
- **Recruitment and Placement Support**
 - Exclusive Campus Placement Derives for the students of GardiVidyapith.
 - Being a part of the process of recruitment to prepare students for industry readiness through Company Experts, conducting on-campus mock interviews.
 - To widen the scope of Employability for the students of B.H. Gardi College of Engineering and Technology by offering Campus Placement Drives or Walk-ins.

Duration & Validity

This MoU will remain valid for a period of [3/5] years from the date of signing, and may be renewed upon mutual consent. Either party may terminate the MoU by giving a written notice of 30 days.

Confidentiality

Both parties agree to maintain confidentiality of shared information, data, and documents, and not disclose them to any third party without prior consent.

General Terms

- This MoU is not legally binding but is an expression of mutual goodwill and collaboration.
 - Any disputes shall be resolved amicably through discussions between both parties.
-

ARTICLE III NOTICES

All communications under this MoU shall be given or made in writing, in English and may be delivered either by hand, email, ordinary mail, registered mail, air mail or facsimile to the other Party and shall be addressed to the other Party at its address specified herein and/or such other addresses as notified from time to time.

Any notice required to be given under this MoU shall be deemed to have been received: -

- (i) in the case of delivery in person – when delivered
- (ii) in the case of service by registered post or air mail – within four (4) to six (6) working days; or
- (iii) if sent by facsimile or other electronic means of communication – within twenty-four (24) working hours subject to the proof of successful transmission
